# MEDPHARM list of doctors for Glarus, Schwyz and Zug.

Select your personal doctor from the following comprehensive list. Doctors specialising in anaesthesiology and radiology are not listed because they are all available as potential choices. Irrespective of the canton in which you live or work, you may choose a service provider from other cantons. The list is constantly under review. You will find the corresponding supplement at the end of the document. You will find the current list online at: [swica.ch/doctors-list](http://swica.ch/doctors-list)

# SWICA hospital list.

You can choose any of the listed hospitals for inpatient and outpatient treatment in your canton of residence. This list is binding for both inpatient and outpatient treatment. Rehabilitation clinics are not on the list because they are generally selectable. If, however, no treatment is possible at any of the listed hospitals in your canton and you have to use a different hospital for medical reasons, please contact sante24 at +41 44 404 86 86. The sante24 health advice helpline will help you to choose the right hospital.
