FAVORIT MEDPHARM/MEDPHARM PROVITA: THE INNOVATIVE BASIC INSURANCE MODEL.

With FAVORIT MEDPHARM/MEDPHARM PROVITA, you have chosen a preferred type of mandatory healthcare insurance with comprehensive cover.

And with MEDPHARM, you qualify for an attractive premium discount. SWICA can offer you especially low premiums because you have chosen an economical form of treatment and are using its medical services responsibly. Specifically, this means that the following conditions are part of your insurance contract.

HOW THE FAVORIT MEDPHARM OR MEDPHARM PROVITA MODEL WORKS

- › Whenever you experience a health problem, you must first contact a SWICA partner pharmacy or call the santé24 telemedicine service on +41 44 404 86 86.
- › You have direct access to a network of pharmacies and can get an initial medical assessment without first having to make an appointment. The SWICA partner pharmacies or the medical experts at santé24 recommend that you consult a doctor directly if necessary, in accordance with the MEDPHARM directory.
- › If a SWICA partner pharmacy or santé24 is unable to handle the problem, you can choose your doctor from the comprehensive MEDPHARM directories. Your doctor can refer you to any doctor in the MEDPHARM directories.
