An emergency can happen anywhere, at any time – and that includes in the workplace. In Switzerland alone, there were more than 290 000 accidents at work last year. SWICA offers first aid courses run by paramedics.

First aid courses	Costs
• Half-day BLS/AED course (up to 8 participants)	CHF 1450.00
• Half-day BLS/AED course (9 – 16 participants)*	CHF 1950.00
• Full-day IVR/IAS course (Level 1 – 3; up to 8 participants)	CHF 2750.00
• Full-day IVR/IAS course (Level 1 – 3; 9 – 16 participants)*	CHF 3450.00
• Management Fee	8% of course fees, subject to a minimum of CHF 400.00

*Course will be led by two instructors.

Other products	Costs
• Emergency concept consulting	CHF 150.00 per hour
• E-learning: first aid training	by agreement
• Tailored courses for businesses	by agreement

We will ensure that you find the most suitable option for you. The management fee covers the following services and is invoiced if two or more courses are booked:

- Advice: reaching a joint decision on the right option
- Project management: design, planning and execution
- Communication: support to achieve successful event marketing, including complementary posters and flyers
- We take care of participant enrolment via our event booking tool
- Results measurement
