HOW THE FAVORIT TELMED MODEL WORKS

- › Whenever you experience a health problem, you must first call the santé24 telemedicine centre on +41 44 404 86 86 before you see a doctor or go to hospital.
- › Qualified specialists will discuss a suitable procedure with you. santé24 will help you look for doctors and therapists.
- › The medical experts at santé24 do not prescribe any diagnostic or therapeutic measures, but only offer you their recommendations. The decision on what steps to take is yours.
