

INFORMATION

For persons with FAVORIT MEDICA healthcare insurance.

The flexible basic insurance model.

What are the special features of FAVORIT MEDICA?

With FAVORIT MEDICA, you have chosen a preferred type of mandatory healthcare insurance that also provides you with comprehensive cover. And with FAVORIT MEDICA, you qualify for an attractive premium discount.

SWICA can offer you these preferential terms because you are using its medical services responsibly. Specifically, this means the following conditions are part of your insurance contract:

- You can freely choose your doctor from the comprehensive MEDICA list at any time.
- Your doctor can refer you to any other doctor on this list.
- You can also choose a hospital from the MEDICA list.
- If you need medicines and low-cost generic ones are available, you will need to consider those.
You can get more information at www.swica.ch/generics, from SWICA Client Services (24/7), or by calling sante24 on +41 44 404 86 86.
- Will you be needing medicine for an extended period? If so, you can ask a mail-order pharmacy from the FAVORIT MEDICA list to send you the prescribed items to your home discreetly, securely and conveniently.

Where to find the MEDICA lists

You will find the current lists at www.swica.ch/doctors-list. We would be happy to send you the current printed version of the lists on request.

What to do in emergencies

Contact your local medical emergency service or call the sante24 helpline on +41 44 404 86 86.

Are there any situations when you don't need to consider the MEDICA list?

- In emergencies
- When getting treatment during a temporary stay abroad

What happens if you disregard the terms of the insurance contract?

SWICA has the right to exclude insured persons from FAVORIT MEDICA insurance to the end of a calendar month if they repeatedly violate the contract terms. This automatically results in a change to STANDARD healthcare insurance.

Where can you get additional information about your health and accident insurance?

Please contact SWICA Client Services at any time (24/7) for questions about your insurance cover. You can find the phone number on your SWICA insurance card or policy. For more information, please also visit: swica.ch

Benefit payments are subject to the General Insurance Conditions (GIC) and Supplementary Insurance Conditions (SIC) with the date of issue shown on your insurance policy.

Your mobile companions: the SWICA apps

With the SWICA apps you can access a range of SWICA services, simply and securely, regardless of where you happen to be.

Submit invoices conveniently

You can use your smartphone or tablet to send claims-related documents to SWICA easily and conveniently. This means that you always know which invoices you have submitted and can easily track the status of your claims.

BENECURA – your health in your hands

The BENECURA app is an invaluable resource if you have questions about your health or if you become ill. The SymptomCheck function, which has been developed by doctors, will support you – simply, digitally and reliably. The result of this process is a personal recommendation about what to do next (e.g. make a doctor's appointment, treat yourself). And you can always rely on the sante24 helpline for medical advice. BENECURA also has a medical and medication lexicon, a valuable reference work to help you to help yourself.
