BECAUSE HEALTH IS EVERYTHING

SWICA

Only the best is good enough for your child.

Congratulations from SWICA – pregnancy and childbirth are unique events. And for you as parents, the birth of your child marks a new phase in life in which security and responsibility become increasingly important. SWICA accompanies you on your journey and places the focus squarely on your family's health.

Tailored benefits for mothers and babies.

Insurance	Benefits for the mother	Benefits for the newborn
<p>Basic insurance</p> 	<p>Maternity benefits are provided without any co-payment. There are also no co-payments for healthcare benefits from the thirteenth week of pregnancy until eight weeks after delivery. Benefits in accordance with mandatory healthcare insurance cover the basic insurance requirements. They comprise:</p> <ul style="list-style-type: none"> ■ Antenatal courses (150 francs towards group courses by a midwife) ■ 7 antenatal checkups ■ 2 ultrasound examinations ■ 1 postnatal checkup ■ 3 sessions in which midwives or other specially trained staff provide breastfeeding advice ■ For high-risk pregnancies, the interval between examinations is based on clinical need 	<p>Benefits in accordance with mandatory healthcare insurance cover your basic insurance requirements.</p>
<p>Supplementary insurance COMPLETA TOP</p> 	<ul style="list-style-type: none"> ■ 200 franc breastfeeding benefit per child ■ Alternative therapy methods: SWICA pays up to 80 francs per hour in the case of recognised doctors and therapists without a rate agreement. ■ Medication, within the indication, as prescribed by a doctor 	<ul style="list-style-type: none"> ■ Alternative therapy methods: SWICA pays up to 80 francs per hour in the case of recognised doctors and therapists without a rate agreement. ■ Medication, within the indication, as prescribed by a doctor
<p>COMPLETA PRAEVENTA supplementary insurance</p> 	<p>For health promotion and preventive healthcare, SWICA pays 50% of the costs, up to 500 francs per year (up to 300 francs per type of prevention), for example for courses relating to:</p> <ul style="list-style-type: none"> ■ Pregnancy exercises ■ Antenatal preparation ■ Post-natal exercises ■ Baby massage ■ Homeopathy and Bach flowers for self-application ■ Wraps and compresses 	<ul style="list-style-type: none"> ■ Special vaccinations and vaccinations prescribed by a doctor: 90% of the costs, up to 200 francs per year ■ Baby swimming: 50% of the costs, up to 300 francs per year
<p>DENTA dental insurance</p> 	<ul style="list-style-type: none"> ■ Depending on the selected insurance plan, SWICA pays up to 2 000 francs a year for dental treatment. ■ Depending on the selected insurance plan, SWICA pays up to 4 000 francs per year towards orthodontic treatment for insured persons up to the age of 25. 	
<p>INFORTUNA accident insurance</p> 	<p>Endowment insurance protects your child against the financial consequences of disability from an accident. SWICA will support your child with an insured lump sum of 300 000 francs, or of over one million francs (three and a half times the insured lump sum) in the case of full disability. Supplementary insurance of medical expenses covers accident-related treatment without restrictions worldwide.</p>	
<p>Home Nanny Service</p> 	<p>Personal childcare service for your child in the event of illness or accident</p> <ul style="list-style-type: none"> ■ Comprehensive and needs-oriented care by a qualified and experienced specialist ■ Personal home nanny available at only a few hours' notice ■ Childcare at your home 	
<p>HOSPITA hospitalisation insurance</p> 	<p>Under a HOSPITA plan, SWICA pays the stays, treatment and ancillary costs of inpatients, supplementary to basic insurance. HOSPITA PLUS enables your child to switch to semi-private or private hospitalisation insurance at any time up to the age of 40 without the need for a medical examination.</p>
