

DENTA

DENTAL INSURANCE FOR A BEAUTIFUL SMILE.

BECAUSE HEALTH
IS EVERYTHING

SWICA

A beautiful smile does not need to be a question of money.

Dental treatment and dental hygiene

Your teeth can cause a lot of pain – also financially. SWICA makes contributions towards the cost of:

- Check-ups
- Dental hygiene
- Dental treatment

Contribution towards the cost of dental treatment and dental hygiene*

Category 1: 50 % of the costs, up to CHF 500 per year

Category 2: 50 % of the costs, up to CHF 1000 per year

Category 3: 75 % of the costs, up to CHF 1500 per year

Category 4: 75 % of the costs, up to CHF 2000 per year

Orthodontic work

Orthodontic work for children and young adults has become widely accepted, and also very expensive.

This is why SWICA pays twice the sum insured for orthodontic work up to the age of 25.

Contribution towards the cost of orthodontic work*

Category 1: 50 % of the costs, up to CHF 1000 per year

Category 2: 50 % of the costs, up to CHF 2000 per year

Category 3: 75 % of the costs, up to CHF 3000 per year

Category 4: 75 % of the costs, up to CHF 4000 per year

* Contributions are not cumulated.
