Denta

Dental insurance
for a beautiful smile

A beautiful smile doesn't have to cost the earth

Your teeth can cause a lot of pain, both literally and financially. Denta will help keep your teeth and your budget healthy.

Dental treatment and dental hygiene

We contribute towards the cost of treatments, including:

- Check-ups
- Dental hygiene
- Dental treatment

Contribution towards the cost of dental treatment and dental hygiene*

Category 1: 50% of the costs, up to CHF 500 per year

Category 2: 50% of the costs, up to CHF 1000 per year

Category 3: 75% of the costs, up to CHF 1500 per year

Category 4: 75% of the costs, up to CHF 2000 per year

Orthodontic work

Orthodontic work for children and young adults has become widely accepted, and also very expensive. That's why we pay twice the sum insured for orthodontic work up to the age of 25.

Contribution towards the cost of orthodontic work*

Category 1: 50% of the costs, up to CHF 1000 per year

Category 2: 50% of the costs, up to CHF 2000 per year

Category 3: 75% of the costs, up to CHF 3000 per year

Category 4: 75% of the costs, up to CHF 4000 per year

*Contributions are not cumulative.
