Financing.

	Contribution rates	Financing
Old age, survivors' and disability insurance (AHV/IV)	<ul style="list-style-type: none"> – Employers and employees together: AHV 8.4%, IV 1.4% – Self-employed persons: Self-employed persons are responsible for their own contributions (AHV 7.8%, IV 1.4%). Annual incomes below CHF 56 900 are subject to a reduced rate in accordance with the declining contribution scale of the AHV. For incomes below CHF 9 500, a minimum contribution of CHF 482 applies. – Not gainfully employed persons based on their assets, min. CHF 482, max. CHF 19 750 (is deemed to have been paid if the gainfully employed spouse without entitlement to a retirement pension has paid at least twice the minimum amount). 	Employees and employers each pay 50% of the contributions, plus public-sector subsidies. No upper threshold applies to salaries that are subject to contributions (no maximum salary).
Loss-of-income insurance (EL)	None	Based on federal, cantonal, and local regulations
Mandatory occupational benefits insurance (BVG)	From age 25: 7%–18% of the insured salary for retirement credits, 0.12% for subsidies in the case of an unfavourable age structure, and 0.005% for insolvencies and other payments to the LOB Guarantee Fund, as well as risk (death, disability) insurance contributions and administrative expenses. The maximum salary for securing the benefits is CHF 127 980.	The employee benefits institution sets the contribution amounts so that employer contributions equal at minimum the total of all employees' contributions.
Accident insurance (UVG)	The companies are allocated to risk classes and risk levels for occupational and non-occupational accidents based on their activities and risks. In principle, there is only one risk class and level per contract. Administrative expenses, accident prevention contributions, and premium surcharges apply to cost-of-living adjustments in addition to the pure risk or net premium rate.	Employees pay the non-occupational accident insurance premiums. Employers pay the occupational accident insurance premiums. The maximum salary subject to UVG contributions is currently CHF 148 200 per person.
Health insurance (KVG)	<p>Mandatory healthcare insurance</p> <ul style="list-style-type: none"> – Premiums are not linked to gender or enrolment age. Lower premiums for children up to age 18 and for young people from ages 19 to 25. Cantonal and regional thresholds. – Daily benefits insurance: Premiums are not linked to gender, and different age thresholds apply. 	<p>Mandatory healthcare insurance</p> <ul style="list-style-type: none"> – Premiums of insured persons. Co-payments in the form of annual excess and deductible for outpatient and inpatient treatments. Federal and cantonal contributions towards reduced premiums for insured persons in modest economic circumstances. – Daily benefits insurance: Premiums of the insured persons.
Unemployment insurance (ALV)	2.2% of the insured salary, up to CHF 148 200 1% starting from CHF 148 200, unlimited	Employees and employers each pay 50% of the contributions.
Loss-of-earnings compensation (EO)/maternity compensation	Employer and employee together: EO 0.45% Self-employed persons: EO 0.45%	Employees and employers each pay 50% of the contributions.
