ART. 7 DISCOUNTS FROM THE BONUS PROGRAMME

Old bonus programme remains valid until 31 August 2023.

1. Challenges must be completed in BENEVITA to participate in the bonus programme and qualify for discounts. Every insured person starts at "Starter" level.
 - › Starter level: No challenges undertaken yet
 - › Level 1: 20 challenges
 - › Level 2: 40 challenges, 2 perfect weeks, 1 perfect month
 - › Level 3: 60 challenges, 3 perfect weeks, 2 perfect monthsFrom level 2 onwards, the insured person must meet extra requirements in addition to the challenges. "Perfect" days/weeks/months/years are defined as follows:

 - Perfect week: Five successful challenges in each category (exercise, nutrition and wellbeing)
 - Perfect month: 10 successful challenges in each category (exercise, nutrition and wellbeing)
 - Perfect year: 200 successful challenges in each category (exercise, nutrition and wellbeing).
2. Depending on the level, a BENEVITA discount is granted on the COMPLETA TOP and/or HOSPITA insurance products. SWICA can make additional or alternative offers to the BENEVITA discounts (see also Art. 1).

3. The insured person must decide by 31 August of the current year whether he wishes to make use of the personal BENEVITA discount or an alternative offer.
4. The amount of the premium discount is determined by the insured person's level as at 31 August of the current year.
5. The amount of the BENEVITA discount depends on the respective level:

	LEVEL OF DISCOUNT	
	COMPLETA TOP	HOSPITA
Level 0	0%	0%
Level 1	5%	5%
Level 2	5%	10%
Level 3	5%	15%

6. If the insured person participating in the bonus programme is insured under a group health insurance contract, the discounts are also linked to the existing group discount. The maximum discounts are limited to 10% for COMPLETA TOP and 30% for HOSPITA.
7. The BENEVITA discount is granted for the first time on 1 January of the year after the SWICA account is created and the registration in BENEVITA is completed. The entry discount is the same as the discount for level 2: 5% for COMPLETA TOP and 10% for HOSPITA hospital insurance.

ART. 8 DISCOUNTS FROM THE BONUS PROGRAMME

New bonus programme 2.0 applies from 20 March 2023.

1. Activities (BENEVITA challenges, other activities declared, steps and/or active minutes uploaded from a fitness tracker) must be completed in BENEVITA in order to participate in the bonus programme and qualify for discounts. The insured person completes various activities in BENEVITA to earn points.
2. The points earned can be redeemed in exchange for a BENEVITA discount on the COMPLETA TOP and/or HOSPITA products (see also Art. 1).
3. The insured person must decide by 31 August of the current year whether they wish to claim the personal BENEVITA discount or an alternative offer.

4. The number of points redeemed by 31 August of the current year determines the level of the premium discount.
5. The BENEVITA discount is based on the number of points:

	LEVEL OF DISCOUNT	
	COMPLETA TOP	HOSPITA
Level 0	0%	0%
Level 1 300 points	5%	5%
Level 2 700 points	5%	10%
Level 3 1500 points	5%	15%

All three discount levels must be achieved to benefit from the highest BENEVITA discount. This means collecting a total of 2500 points.

6. If the insured person participating in the bonus programme is insured under a group medical expenses contract, the reductions are applied in addition to the existing group discount. The maximum discounts are limited to 10% for COMPLETA TOP and 30% for HOSPITA.
7. The BENEVITA discount is applied for the first time on 1 January of the year following the year in which the insured person created a SWICA account and registered for BENEVITA. The introductory discount is 5% for COMPLETA TOP and 10% for HOSPITA hospital insurance, which is equivalent to Level 2.

ART. 9 END OF THE DISCOUNT ENTITLEMENT

1. Upon termination or cancellation of the corresponding supplementary insurance in accordance with the applicable insurance contract terms and conditions, the insured person's entitlement to the relevant discount from the bonus programme shall cease automatically (as of the date of termination).
2. If the insured person deactivates his or her SWICA account, the BENEVITA discount shall expire as of the following month. This does not give rise to an extraordinary right to terminate the supplementary insurance in accordance with the Insurance Policies Act (VVG).

ART. 10 RIGHT OF TERMINATION

1. The retroactive premium increase due to the loss of discount – triggered by non-registration – does not give rise to any right to terminate the supplementary insurance in accordance with the IPA.

ART. 11 BENEVITA DISCOUNT UP TO THE AGE OF 18

For children and young people up to the age of 18 who also have COMPLETA TOP and/or HOSPITA supplementary insurance, the discount level of the parent participating in the bonus programme is used. If both parents participate in the bonus programme, the main policyholder's discount shall apply, provided that an insurance policy is held within the group. If there is no insurance policy held within the group, the discount of the parent with whom the child/young person concerned is linked shall apply. It is not permitted to make any changes to the main policyholder with a view to improving the discount.

5. With regard to data processing, SWICA's data privacy statement and the BENEVITA conditions of use/data protection regulations also apply.
6. Personal data will only be disclosed to third parties with the consent of the policyholder or insured person. By participating in the bonus programme, the insured person consents to the disclosure of the data to Google Firebase.
